

# What is Grace 2020?

- God is calling us to discern the Vision for Grace UMC for the next chapter of our life and ministry.
- Once we understand God's Vision, we develop the Grace 2020 plan which captures who and where God wants us to be in the year 2020.
- The completed Grace 2020 plan will be presented to the congregation on October 22, 2017.
- From there WE jointly execute the plan to achieve God's vision by the year 2020.
